

List of plants: of Aleza Lake Ecological Reserve #84
Source: I.B.P. and H. Roemer after field trip 89/05/15

- trees: *Abies lasiocarpa*
Betula papyrifera
Picea engelmannii, *P. glauca*, *P. mariana*
Pinus contorta
Populus tremuloides
Pseudotsuga menziesii
Tsuga heterophylla
- shrubs: *Alnus sinuata*, *A. tenuifolia*
Amelanchier alnifolia
Betula pumila
Cornus stolonifera
Corylus cornuta
Lonicera involucrata
Oplopanax horridus
Ribes lacustre
Rosa acicularis
Rubus parviflorus, *R. strigosus*
Salix pyrifolia, *S. pedicellaris*
Sambucus racemosa
Sorbus scopulina
Spiraea betulifolia, *S. douglasii* var. *menziesii*
Vaccinium membranaceum, *V. ovalifolium*
Viburnum edule
- herb layer: *Actaea rubra*
Aralia nudicaulis
Arnica cordifolia
Aster conspicuus, *Aster ciliolatus*
Athyrium filix-femina
Calamagrostis canadensis
Calypso bulbosa
Carex aquatilis, *C. disperma*, *C. dioica*, *C. magellanica*, *C. rostrata*
Cinna latifolia
Circaea alpina
Clintonia uniflora
Cornus canadensis
Disporum hookeri
Dryopteris assimilis
Epilobium glandulosum
Equisetum arvense, *E. pratense*, *E. sylvaticum*
Galium triflorum
Geum macrophyllum
Geocaulon lividum
Glyceria elata
Goodyera oblongifolia, *G. repens*
Gymnocarpium dryopteris
Habenaria saccata, *H. orbiculata*
Lathyrus ochroleucus

herb layer: *Linnaea borealis*
(cont'd) *Listera cordata*
Lycopodium annotinum, *L. clavatum*, *L. obscurum*
Lysichitum americanum
Menyanthes trifoliata
Mitella nuda
Oryzopsis asperifolia
Osmorhiza chilensis
Petasites frigidus
Potentilla palustris
Pyrola secunda, *P. chlorantha*
Rubus pedatus, *R. pubescens*
Scheuchzeria palustris
Senecio triangularis
Smilacina racemosa, *S. stellata*
Streptopus amplexifolius, *S. roseus*, *S. streptopoides*
Thelypteris phegopteris
Tiarella unifoliata, *T. trifoliata*
Valeriana sitchensis
Veratrum viride
Viola glabella, *V. sempervirens*

bryophytes: *Aulacomnium palustre*
Dicranum fuscescens
Hylocomium splendens
Mnium spp.
Pleurozium schreberi
Pohlia cruda
Ptilium crista-castrensis
Rhytidiadelphus triquetrus
Sphagnum squarrosum,
Sphagnum spp.

lichens: *Alectoria sarmentosa*, *A. jubata*
Cladonia spp.
Icmadophila ericetorum
Lobaria pulmonaria
Peltigera aphthosa
P. canina
Platismatia glauca
