

Welcome to the Park

On the southeastern shores of Fraser Lake, Beaumont Provincial Park - characterized by a gently rolling terrain forested with willow, poplar, birch, spruce and occasional stands of aspen - occupies the site of historic Fort Fraser, established by explorer Simon Fraser in 1806. Originally known as Natleh, the site was chosen for its commanding view of the lake and summer breezes which kept the mosquitoes at bay. Native peoples traversed well-used trails to trade with other settlements. Later, explorers and fur traders journeyed between Fort Fraser, Fort McLeod and Fort St. James on these same trails.

Things to Do

A **self-guided interpretation** trail on the plants, animals, and history of the area

Fraser Mountain Lookout Trail starts from Hwy 16 between Beaumont Park and Piper's Glen Resort. The summit - an view of the lake and mountains is about 4 km/3 hours. The trail traverses a lightly treed hillside, carpeted with a large patch of ladyslippers in May.

Windsurfing, canoeing and kayaking are popular lake activities. Please note that Fraser Lake is subject to sudden, heavy winds which can transform the lake surface into dangerous whitecaps.

There is good waterskiing on Fraser Lake. Boat launch is located approximately 500 m from the campground.

A roped off swimming area is located at the beach/picnic area. Remain within the designated area due to abrupt drop-off marked with floats.

Fraser Lake produces burbot, char, rainbow trout and kokanee. Appropriate licence is required.

The day-use area has a grassy area, expansive sandy beach, dog beach, change houses, playground and a volleyball net is available.

Visitor Services

Campground has 49 private sites and 5 walk-in tenting sites. Each with a picnic table and fire pit. Campsite reservations and first-come, first-served sites are available.

A single-lane concrete boat launch with parking area is located 500 metres from the campground.

Visitors can use sani-station for a fee.

Washroom in campground is wheelchair accessible.
