

## Garibaldi Provincial Park Trail Conditions

**Feb 3, 2021**

Garibaldi Park is located in the coast mountain wilderness and the weather can be severe and unforgiving. Be well prepared, properly equipped and informed before entering the backcountry. Day visitors should be capable of camping overnight in case of injury, accident or extreme weather. Avalanche and glacier hazards exist in Garibaldi Park. Traveling beyond the maintained trail requires special equipment, skills, ability, and knowledge.

Garibaldi Park is a user-maintained park. Garbage removal service is not available. Please help by packing out all your garbage and any garbage left by others. If you use the shelters, clean the facilities prior to your departure. Please use the outhouses provided. Toilet paper is not always supplied.

**All camping in Garibaldi Park requires purchase of a camping permit.**

**As per PHO orders, masks are MANDATORY in all backcountry facilities.**

**Pay camping fees and acquire day use permits at:**

- Motorized vehicles, dogs and fires are prohibited within the park, year-round.
- Camping is permitted only in designated campsites.
- Biking opportunities are limited to the Cheakamus Lake trail as far as Singing Creek and the Diamond Head Trail as far as the Elfin Lakes campground
- Please use the permanent toilet facilities provided; this may require you to remove snow to access in the winter.
- Please stay on the trails; this will protect the fragile alpine vegetation from damage.
- Backcountry facilities and campsite areas within Garibaldi Park are maintained by you. Please help by packing out what you pack in and by keeping the park and the facilities clean for others. Leave knowing that you did your part!
