

Hemer Provincial Park

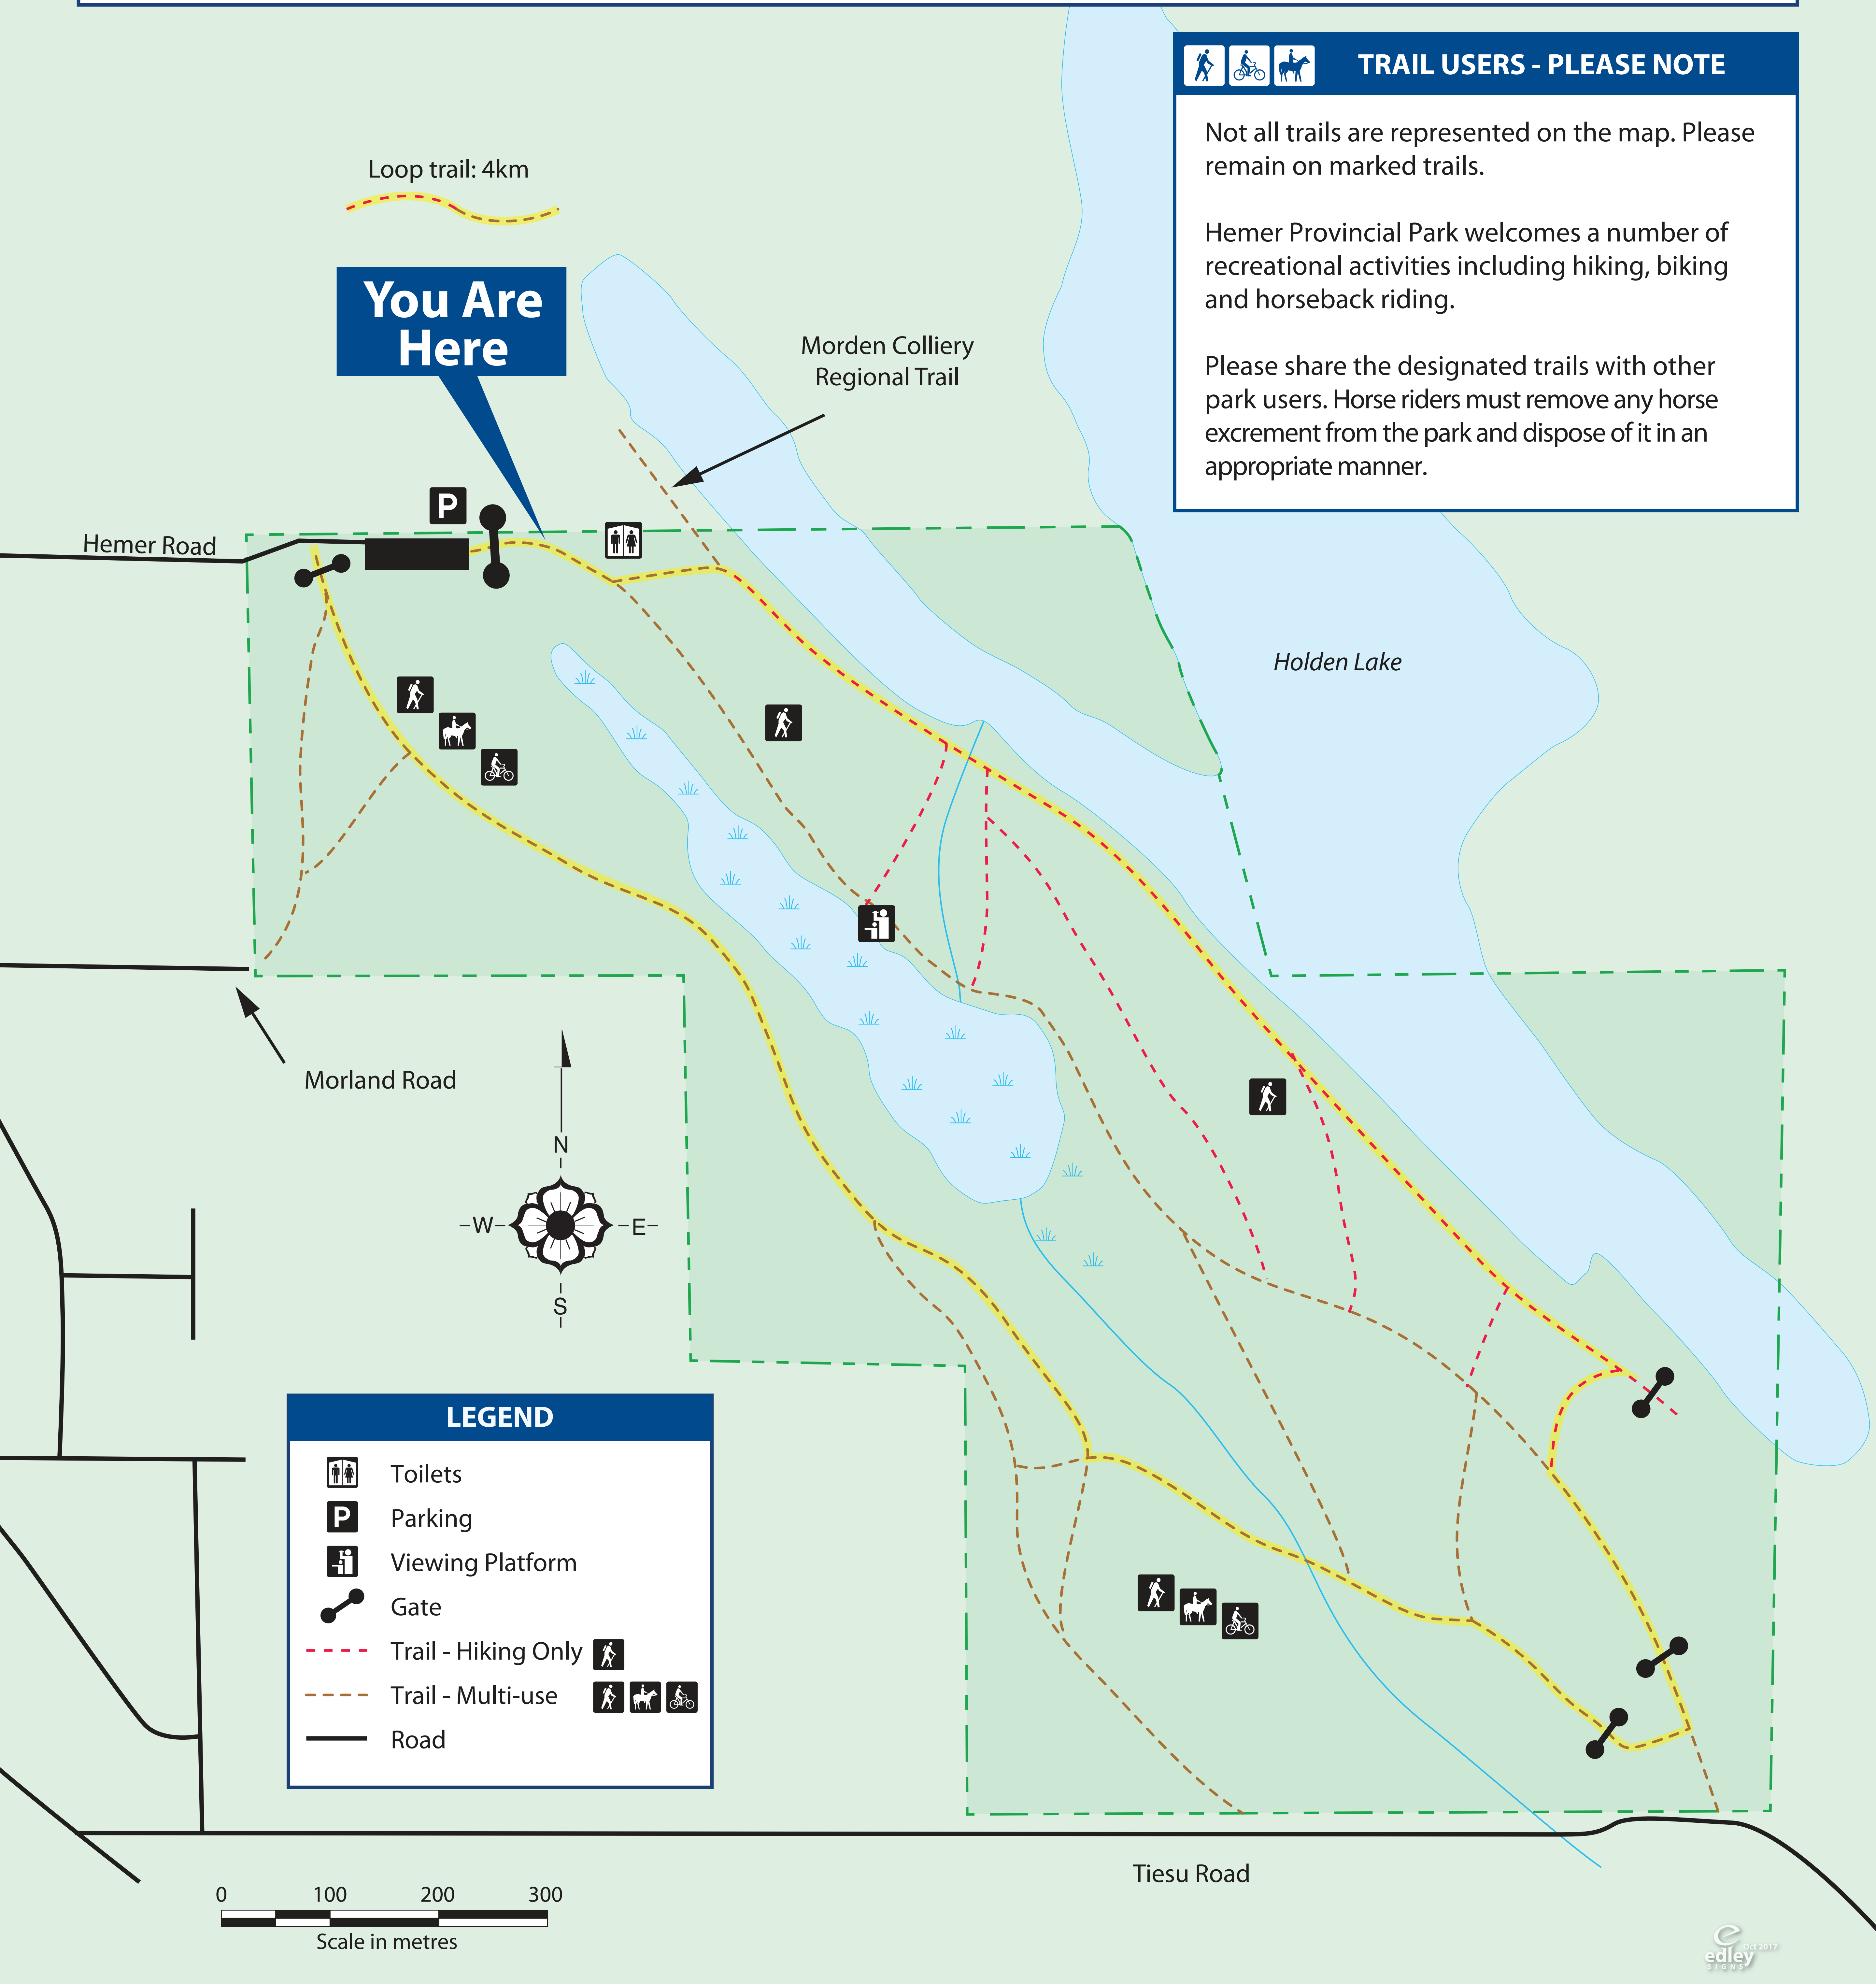

Thanks to the generous donation of long time Cedar residents John and Violet Hemer, this 93 hectare park will be preserved for your enjoyment. With your help, Hemer's cool forest, farmland and picturesque lakeshore will always remain part of our heritage.

TRAIL USERS - PLEASE NOTE

Not all trails are represented on the map. Please remain on marked trails.

Hemer Provincial Park welcomes a number of recreational activities including hiking, biking and horseback riding.

Please share the designated trails with other park users. Horse riders must remove any horse excrement from the park and dispose of it in an appropriate manner.
