

Little Qualicum Falls Provincial Park

Located 19 kilometres west of Parksville off Hwy 4, this 440-hectare park straddles Little Qualicum River where impressive waterfalls crash and plummet down a rocky gorge in a forest setting. Shaded riverside trails and picnic facilities along Cameron Lake make Little Qualicum a favoured destination. To the west is world-renowned Cathedral Grove in MacMillan Provincial Park, the gateway to the Alberni Valley and the open coast beaches of Pacific Rim National Park. To the east are the sunny, sandy beaches of the Parksville-Qualicum area.

Things to Do

Day-use area with picnic tables, picnic shelter, flush toilets and parking area.

Pit toilets are available in this park. Flush toilets are available from April 15 to October 15.

There are 6 kilometres of walking trails throughout the park with a loop trail viewing the lower and upper waterfalls. Please obey the posted signs and keep to designated trails.

River fishing is permitted with a valid fishing license. Closures are posted in the park.

The river is closed for swimming between the park boundary below the lower bridge to 75 metres above the middle bridge due to waterfalls and rapids. Those wanting to swim should visit Cameron Lake day-use area.

Riverbanks can be slippery, stay away from cliff and riverbank edges. Jumping from bridges or cliffs is prohibited.
