## Management Plan Addendum

In September 2018 the February 2003 Stagleap Provincial Park Purpose Statement and Zoning Plan was amended to correct an administrative error. The administrative error was the result of an inadvertent switch of the respective areas of the Natural Environment Zone and the Intensive Recreation Zone when the management plan was created that resulted in an inconsistency between the management plan text and the zoning map. The zoning map is correct and has not been amended.

### Previous version:

#### **Zoning**

Intensive Recreation (approximately 1125 ha or 99.3% of the park)

*Objective: To provide for a variety of readily accessible, facility-oriented outdoor recreation opportunities.*

Natural Environment (approximately 6 ha or 0.5% of the park)

*Objectives: To protect scenic values and to provide for recreation opportunities in a largely undisturbed natural environment.*
